

Summer Reading Club

2017

Welcome to our Summer Reading Club...a club for all ages.

This is an invitation to read. We know you are busy, but we want you to take time out of each day or week to read...a book, a magazine or even listen to an audiobook!

TIME: Five weeks of reading fun....from June 26th - July 28th. You can begin anytime during these dates and read at your own pace. If you can't read one day, try another day. Maybe someone can sit with you and you can read together. Or, you can listen to someone read.

WHERE: Stop at the Falconer Library to get your book logs and calendar the last week in June. You can get a bookmark and a surprise!

The library is open 49 hours per week for your convenience

Monday & Tuesday 9:00-7:00

Wednesday 9:00-6:00

Thursday & Friday 9:00-5:00

Saturday 9:00-1:00

PRIZES: Each week we will offer a special prize!! Bring your calendar to let us know of your reading times.

GUESS JAR: Use your math skills to guess the number of items in the Weekly Event. Winners are announced every Monday at the library.
