- ▶ Create lists
- ▶ Change your PIN
- ▶ Email, text, or print title records

1 Search with limits. Everything will search the holdings of all Member Libraries. Select a specific library under Advanced Search (1A).

2 Search by field. Select field, type in search term(s), click Search.

3 Click Show Only Available to limit your search results to only items that are available for checkout.

1A Advance Searching allows you to search for exact phrases or exclude terms from your search. You can also apply any combination of limits on your search, including: Library.

4 Select a limit or multiple limits to include in or exclude from your search results. You can select one or multiple limits within a single field by clicking the check box next to the limit(s).

5 Click on the title or cover to display details for that item. Availability and location of item will be displayed.

6 To Add title to My Lists, Email, Text It To Me, or print a title, select title(s) and then select option under Select an Action.

9 Status = availability & location. If item is checked out, place a hold by clicking on Place Hold.

7 You can click on catalog data such as author name, subject terms, and genre to begin a new search for that link's contents.

10 Library = Member Library that owns the item.

11 Summaries & reviews displayed if available, click section to open.

8 Shelf Number / Call Number listed represents item's subject matter & indicates location on shelf.
